options of employment with central or state governments' public health departments serving in positions like Medical Officer or Dental Surgeon. Here they would work closely with communities providing preventive care services such as immunization campaigns besides conducting oral health screening and treatment camps. She said likewise they could also be involved in formulating public oral hygiene policies and promoting dental wellness programs at schools and rural areas. Moreover, another avenue open for BDS professionals is Public Service Commission examinations conducted by several states, followed by interviews based on which candidates are selected per vacancies available at the Civil Services levels. Being permanent officers would provide career growth opportunities leading eventually toward leadership roles within the governmental infrastructure. Opportunities at Autonomous Bodies under Government, including Railways and Armed Forces, were also brought to the audience's notice, among several others. The students found the talk very encouraging and fruitful.

BOOK DONATION PROGRAM

Name of event	BOOK DONATION PROGRAM
Date of event	26/04/2023
Participants	112
Resource person	Mansarovar Dental College Alumni
Aim and objective of the visit	Mansarovar Dental College alumni association has taken the initiative to Carrier guidance & induction programme for our students. So students can hence professional clinical establishment and increase advanced clinical skills.
Report	<p>Education is a fundamental right for all individuals, and access to books plays an essential role in providing quality education. The alumni of Mansarovar Dental College recognizes this and have taken the initiative to give back to their community by organizing a book donation program for students on 26/04/2023. Through the book donation program, the alumni distributed textbooks, reference books, and other educational materials to help students in their studies. The purpose of the book donation program is to facilitate and promote education among students who might not be able to afford expensive textbooks on their own. The book donation program is a reflection of the alumni's commitment to supporting education and helping students achieve their academic goals. This commendable initiative benefitted 150 students in achieving their academic pursuits. Mansarovar Dental College is proud of its alumni community and highly appreciates this worthy cause. We hope that this will inspire others to get involved in similar initiatives.</p>
