INSTITUTIONAL RESPONSIBILITY IN INCULCATING ORAL HEALTH AWARENESS TO THE RURAL POPULATION

During the month of February and April 2022, village oral health camps were organized by the department of Public Health Dentistry. The people residing in the rural areas of Emaliya and Bineka were benefitted from the general and oral health screening and awareness programs. In addition, weekly camps were conducted in nearby villages so as to serve underprivileged people. Oral hygiene instructions were given along with the demonstration of brushing techniques.
